HIGHWAY WORK PERMIT

Part 1. Applicant's Contact Information.

Applicant's Name: _____.

Applicant's Address: _____.

Applicant's Telephone #: _____.

Applicant's Email: _____.

Part 2. Location of Work: _____.

Between the intersecting roads of _____ and _____.

Part 3. Description and Schedule of Proposed Work.
Use separate sheets of paper if needed.

A. Describe the proposed work:

B. Anticipated duration of proposed work:

From _____ to _____.

Part 4. General Requirements.

1. The applicant fully understands and agrees that the specific site identified in this application for a Highway Work Permit, and only that site identified, will be available for use by the applicant only for the purpose stated in this application and only on the date(s) and for the duration designated in this application. Furthermore, the applicant fully understands and agrees that a Highway Work Permit does not authorize any infringement of federal, state or local laws or regulations, is limited to the extent of the authority of Highway Superintendent of the Town of Barrington and is transferable and assignable only with the written consent of the Highway Superintendent of the Town of Barrington.

2. The applicant fully understands and agrees that the Highway Superintendent of the Town of Barrington reserves the right to modify fees and to revoke or annul a Highway Work Permit at any time, at his/her discretion without a hearing or the necessity of showing cause.

3. The applicant fully understands and agrees that the work shall be performed in compliance with Local Law 2 of 2024, Highways and Private Roads, of the Code of the Town of Barrington.

4. The applicant fully understands and agrees that the work shall be conducted in an expeditious manner.

5. The applicant fully understands and agrees that the work shall be approved by the Highway Superintendent of the Town of Barrington and/or his designated assignees. Furthermore, the applicant hereby understands and agrees to schedule the start of work and any required inspections with the Highway Superintendent of the Town of Barrington at least five (5) business days prior to such work.

6. The applicant fully understands and agrees that he/she/they will utilize approved materials as fill as well as thoroughly compacting such fill, with such material and methods shall be approved by the Highway Superintendent of the Town of Barrington.

7. The applicant fully understands and agrees that he/she/they is/are responsible to maintain traffic on the highway, including its associated right-of-way, in a safe manner during working and non-working hours until the work is completed. Furthermore, the applicant fully understands and agrees that he/she/they is/are responsible for traffic protection and maintenance, including adequate use of signs, barriers, and flag persons during working and non-working hours until the work is completed.

8. The applicant fully understands and agrees to assure compliance with New York Labor Law, industrial regulations, and OSHA regulations, and to assure the safety of all workers who will be engaged to do the permitted work.

9. The applicant fully understands and agrees to reimburse the Town of Barrington for any incurred costs (e.g., inspection and/or supervision by the Highway Superintendent of the Town of Barrington) that may arise during the progress of the work authorized by the issuance of a permit by the Town of Barrington.

10. The applicant hereby understands and agrees that, in addition to any protection afforded to the Town of Barrington under any available insurance, the Town of Barrington, its Board Members, Officers, agents and/or employees shall not be liable for any damage or injury to the applicant, its agents, employees, or to any other person, or to any property, occurring on the site or in any way associated with applicant's activities or operations; whether undertaken by applicant's own forces or by contractor or other agents working on applicant's behalf.

11. The applicant fully understands and agrees to indemnify, defend and hold harmless the Town of Barrington, its Board Members, Officers, agents and/or employees from and against any and all claims, actions, awards, judgments, damages, losses and/or expenses, including professional fees and costs, and litigation expenses incurred by the Town of Barrington, as a result of the work authorized by the issuance of a permit by the Town of Barrington.

12. The applicant fully understands and agrees that a bond, deposit (bank cashier's check), or a Letter of Credit, in an amount designated by the Town of Barrington, may be required before a permit is issued, in order to guarantee restoration of the site to its original condition. A fully executed Undertaking Agreement may be accepted as an alternative security, where applicable. If the Town of Barrington is obliged to restore the site to its original condition, the costs to the Town of Barrington will be deducted from the amount of the applicant's deposit at the conclusion
of the work. Costs in excess of the bond/deposit on file will be billed directly to the applicant. If an applicant posts a Letter of Credit, the Town of Barrington may elect to have a contractor restore the site, and issue a draft drawn against the Letter of Credit as payment.

13. The applicant fully understands and agrees that he/she/they is/are required to have compensation insurance and disability coverage as prescribed in the applicable provisions of the Worker's Compensation Law and Acts amendatory thereof for the entire period of the permit, or the permit will be invalid.

Part 5 Plan.

1. The applicant hereby understands and agrees to attach a detailed plan of any structure or other work to be installed, with a description of the proposed method of construction.

Part 6. Standards.

1. The applicant hereby understands and agrees that the work performed within a Town highway shall conform to the same standards and/or guidelines that have been adopted by the Yates County Highway Department and any other applicable provision(s) prescribed within Local Law 2 of 2024, Highways and Private Roads, of the Code of the Town of Barrington.

3. Include Town Guard Rail Modification Application.

Part 7. Attestation by the Applicant.

THE UNDERSIGNED HEREBY ATTESTS that he/she/they request a Highway Work Permit from the Highway Superintendent of the Town of Barrington.

Additionally, the applicant hereby certifies that the information contained in this application is accurate, true and complete to the best of his/her/their knowledge and understands that false statements made in this application are subject to the applicable provisions of the Penal Law of the State of New York. Furthermore, the applicant comprehends that he/she/they is/are ultimately responsible for the compliance with all local, state and federal laws regardless of any contractual agreements with other persons, firms and/or business entities. Lastly, the applicant has read this entire application as well as Local Law 2 of 2024, Highways and Private Roads, of the Code of the Town of Barrington and agrees to comply with its applicable provisions.
